our help

Cats and dogs from **10 shelters** received rabies vaccines.

Thanks to your support, 2,958 animals are protected from rabies, a deadly, incurable virus, and along with them other cats and dogs, as well as their people.

Here is who we distributed the vaccines to, and how many vaccines each received:

- 1) **1,200** rabies vaccines were delivered to **Pegasus shelter** in the Dnipropetrovsk region;

- 2) **200** vaccines were sent to **Zoohelp** in the Kirovohrad region;
- 3) **200** vaccines were received by an NGO **Dimpets** in the Sumy region;

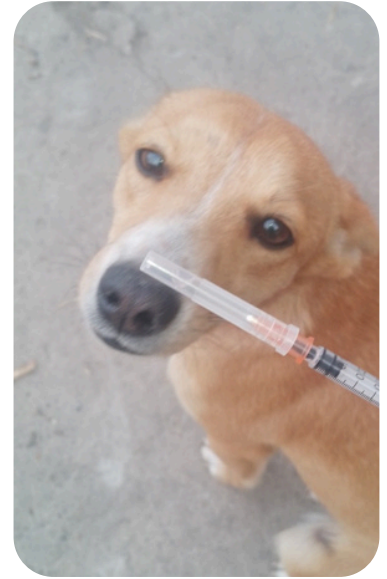

- 4) **200** vaccines were sent to **Forsaken Angel** in the Khmelnytskyi region;

5) **108** vaccines were distributed to an NGO **Druh** in the Dnipropetrovsk region;

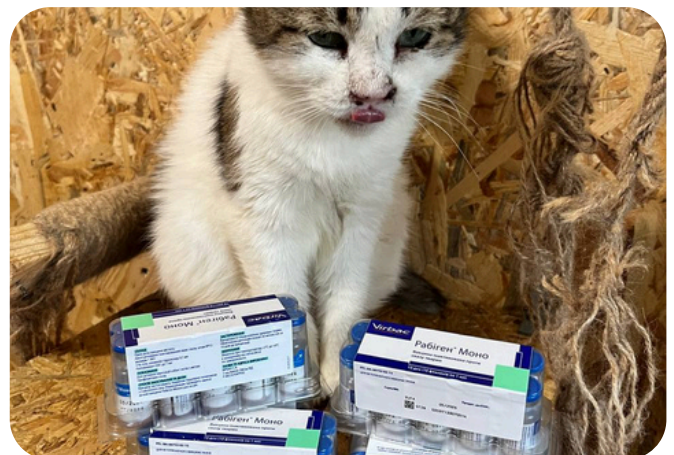

6) **200** vaccines were provided to **Another Dimension** charitable organization in the Dnipropetrovsk region;

7) **250** vaccines were received by **Sumy Animal Home**;

8) **200** vaccines were distributed to **Kotokhata shelter** in the Kyiv region;

- 9) **200** vaccines were sent to **Novyi Svit** in the Mykolaiv region;
- 10) **200** vaccines were sent to **Dream in the Palms** charitable organization in the Dnipropetrovsk region.

Evacuating animals from frontline areas is a challenge. Ensuring they have a good life afterwards is even more difficult. **Thank you for being with us on this rescue journey!**

Thank you for the vaccines! But please send the treats in a bigger box
