

# Report on fundraiser for the animals under the care of soldiers

300+  
animals  
were helped

We raised the necessary amount thanks to contributions from over **1,400** compassionate people.

UAH 290,805  
(≈ \$7,016)  
was raised

We received and processed **22 requests for help** from soldiers in the Mykolaiv, Rivne, Kharkiv, Donetsk, Zaporizhzhia, Kherson, Kyiv, and Chernihiv regions.

22  
request for help  
were received

**Thanks to donations, the animals received pet food and anti-parasitic treatments.**

In total, we spent **UAH 224,965 (≈ \$5,428)**, and the remaining UAH 65,840 (≈ \$1,589) was transferred to the project that supports the treatment of animals rescued by soldiers.

UAnimals regularly receives requests for help from Ukrainian defenders who care for animals. Sometimes they ask us to evacuate animals from shelling, while in other cases they only ask for support in the form of pet food and medications.

By defending Ukraine, soldiers protect every life in it. We are glad that, thanks to your help, we are able to support them as best we can.
