Friends, we were able to raise the necessary UAH 700,000 (≈\$16,867) (and even more) in just three days with your support. Thank you to everyone who responded to the urgent fundraiser.

Thanks to you, we were able to quickly support the volunteers, as well as the animals at the Bim and Druh shelters, who were affected by the flooding. In addition, we helped the Pegasus, Mini Shelter—Dobre Serce, Give a Paw, and Zoonhelp shelters, which took in some of the rescued animals.

 For the Bim shelter, which was affected by the flooding, we donated two large and eight medium-sized cages for temporary animal housing, three 50-liter gas cylinders, and 46 insulated wooden doghouses. In total, we spent **UAH 304,254.28 (≈\$7,331).**

🐕 For the Druh shelter, which was also affected by the flooding, we provided three diesel autonomous heaters with a capacity of nine kilowatts. A total of **UAH 22,350 (≈\$538)** was spent on purchasing the heaters.

🐕 For the Mini Shelter — Dobre Serce, which took in some of the rescued animals, we provided ten insulated wooden dog houses, 30 tubes of Levomekol ointment, 20 packages of disposable pads of various sizes, as well as gauze bandages for wound treatment. In total, we spent **UAH 88,292 (≈\$2,127)**.

🐶 For the Pegasus shelter, which took in some of the evacuated animals, we provided six cages of different sizes for temporary housing and the safe transportation of dogs and cats. In total, we spent **UAH 38,685.66 (~\$932)**.

🍲 We also purchased and delivered 3,006 kilograms of dog food to six shelters that were affected by the flooding or took in evacuated animals. The Bim shelter received 1,008 kilograms of food, Mini Shelter — Dobre Serce received 504 kilograms, Give a Paw received 504 kilograms, Pegasus received 306 kilograms, Zoohelp received 342 kilograms, and the Druh shelter received 342 kilograms. In total, we spent **UAH 186,372 (~\$4,490)** on purchasing the food.

We also separately paid veterinary clinic bills for five dogs from the Bim shelter that were evacuated after the flooding.

❤️ We paid for the treatment of a dog named Michelle and purchased the necessary antibiotics for her. In total, we spent **UAH 40,203 (≈\$968)** on helping this animal.

❤️ We paid for the treatment of a dog named Rex. The veterinary care for him cost **UAH 15,347.50 (≈\$369)**.

❤️ We paid for the treatment of a dog named Nika, which cost **UAH 17,170 (≈\$413)**.

❤️ For a dog named Dick, we paid for treatment costing **UAH 19,254 (≈\$463)**.

❤️ We paid for the treatment of a dog named Vita, which cost **UAH 22,260.50 (≈\$536)**.

Thank you for standing with us and helping make all of this possible!
We are proud to do good deeds side by side with you.
