We spent **UAH 330,020.98 (≈\$7,352.33)**. The remaining **UAH 95.95 (≈\$2)** will be put towards the next project for help

We were so excited that we couldn't wait for the shelter's official report – we just had to share the good news with you right away! So make yourself comfortable and see what we've been able to achieve together, thanks to your support.

Thanks to your donations to this fundraiser, we were able to transfer **UAH 300,000 (≈\$7,000)** to purchase a mobile veterinary unit. This is a self-contained unit with an inpatient ward and a small operating room, where animals can be examined, vaccinated, treated, spayed or neutered, and, if needed, undergo surgery – all in one place. Take a look at what it looks like.

We also managed to equip it a little. Here's what we purchased:

- two IV stands — **UAH 2,600 (≈\$58)**;
- diapers of various sizes (60×60 cm and 90×60 cm) — **UAH 5,014.50 (≈\$112)**;
- 96 cans of wet food for adult dogs — **UAH 8,052.48 (≈\$180)**;
- a veterinary examination table with a shelf — **UAH 14,354 (≈\$320)**.

Thank you to everyone who joined in — together, we've made this space safer and more comfortable for the animals!
