

Report on the Great Winter Fundraiser

5,422 donors supported the fundraiser

We spent **UAH 1,327,374.47 (≈\$31,985)**. The remaining UAH 723,97 (≈\$17) will be put towards the next project for help

You warmed not only the animals. You warmed our hearts as well. Because every time the total of the Great Winter Fundraiser got closer to the goal, we were reminded once again: there are thousands of people around us who are ready to help animals. Thank you. And now — we're showing you how we used the raised funds.

***We buy firewood in stacked cubic metres — this is a unit of measurement that takes into account how the wood is stacked in a pile, including the gaps between the split pieces. One stacked cubic metre contains approximately 0.65–0.7 cubic metres of solid wood.**
